**Re: Opposition to HB # 5021**

There is so much involved in this bill, that I can not even began where to start from and where to end. I think this entire bill needs be thoroughly looked by the bipartisan committee. Today, I have brought a 12/2011 Beverage Journal from NJ state and 10/2011 and 11/2011 Connecticut Beverage journal. I can make the comparisons and explain you but I do realize there is a time constraint. We in the Connecticut have the best system and may be our model is far superior than anyone else in the USA. I hope everyone of you realize that I have 2 children age 9 and 11, we will be impacted by your decision. I am sure some of you have either your own children or nieces and nephews. Please support and stand up for the little guys. Take one for the Connecticut.

Thank very much for serving our state.

Sincerely,  
Rakesh Patel
